As part of Hasbro Entertainment, Boulder Media is building a new feature animation division. We are excited to offer a number of opportunities to join our very successful and established animation studio as we expand into a new area. We will be producing the first CG theatrical feature film made entirely in Ireland. The movie is based on a very well-known Hasbro property and we can't wait to bring it to the big screen for the first time.

We have vacancies across multiple departments. To apply please submit your CV and Demo Reel to movejobs@bouldermedia.tv.
